IMPORTANT--PLEASE READ:

I understand and agree (as evidenced by signature or verification below) that any assistance being provided to me through Court Services is not "legal advice," and is not intended to be a substitute for legal advice. I am encouraged to seek legal counsel from an independent, licensed attorney. If I cannot afford an attorney, a listing of legal aid providers will be furnished to me. If I am charged with a crime at the misdemeanor or felony level, and I cannot afford an attorney, one will be appointed for me by the Court at the proper time. I understand that assistance in civil matters is limited to guidance in the procedural requirements to bring a matter before the Court and specifically excludes legal advice or representation in the form of advocacy of any factual or legal position. I further understand that since public assistance provided by the Court (whether or not provided by a licensed attorney working for the Court) does not constitute legal representation, is a public service and of no cost to me, and I have no right of confidentiality concerning anything I say or otherwise disclose to anyone assisting me. Finally, I understand and agree that Court Services may be provided on the same case to my opponent and on the same basis as I receive it, and by the same (or different) personnel, as it is provided to me.

I HAVE READ AND UNDERSTAND THE DISCLAIMER STATEMENT WRITTEN ABOVE.
